Cookie Policy

Last revised: 1 November 2020

This Cookie Policy describes the different types of cookies that may be used in connection with the Samsung One App and the Samsung One Website (which are referred together as “Samsung One” in this Cookie Policy). This Policy also describes how you can manage cookies.

It's important that you check back often for updates to the Policy as we may change it from time to time to reflect changes to our use of cookies. Please check the date at the top of this page to see when this Policy was last revised. Any changes to this Policy will become effective when we make the revised Policy available on Samsung One.

Cookies are small files that store information on your device. We only use essential cookies on Samsung One.

Without essential cookies, services that you have asked for cannot be provided. These cookies are automatically enabled and cannot be turned off because they are essential to enable you to use Samsung One.

Here are details of the cookies used on Samsung One:

| Cookie Name | Purpose | Duration |
|---------------------------------------|--|----------|
| _ga | Used to distinguish users. | 90 days |
| _gac_ <property-id> | Used to distinguish users. | 90 days |
| MoodleSession | Essential cookie storing session parameters | 2 hours |
| OnboardingNotificationsIDs | Marks if the user has seen the onboarding screen popup | 3 years |
| WalletNotificationsIDs | Marks if the user has seen the wallet popup | 10 years |
| "user_".XXX."course_".XXX."_lastseen" | Data and time of last seen a program | 2 months |

Please be aware that if you disable cookies using your browser settings, this may affect your ability to perform certain transactions on Samsung One, and our ability to recognise you from one visit to the next.

You may exercise your privacy rights as set out in the Privacy Policy for Samsung One.
